

# C1 SmartAgile

## AI-Enhanced Sprint Planning & Delivery

SmartAgile standardizes, automates, and enhances Agile delivery inside ServiceNow. It improves sprint planning, boosts story quality, predicts capacity, and automates reporting.

### THE IMPACT

**40-60%**

Faster Sprint Planning

**25-45%**

Reduction in Rework

**80-90%**

Less Manual Reporting

### ■ Core Capabilities

- Automated sprint setup and closure
- SmartChecklist-driven sprint execution
- AI-assisted story descriptions and acceptance criteria
- Priority and capacity recommendations
- Real-time dashboards (burndown, blockers, velocity)

### ■ Key Value Points

- Faster sprint planning and automated reporting
- AI-driven prioritization and capacity forecasting
- Standardized Agile practices across all teams
- Higher story quality and reduced rework
- Real-time visibility for PMO and leadership

#### Sprint Automation

Automated sprint setup, closure, and reporting - eliminating manual overhead and giving teams back hours every cycle.

#### AI Story Quality

AI-assisted story descriptions and acceptance criteria improve clarity and reduce defects downstream.

#### Program Visibility

Cross-team dashboards with burndown, blockers, velocity, and leadership summaries in real time.

### KEY USE CASES

- Backlog prioritization and sprint planning with AI-driven capacity recommendations
- Standardized Agile delivery across multiple ServiceNow development teams
- Automated sprint reporting with real-time dashboards for PMO and leadership
- Improving story clarity and reducing defects through AI-assisted authoring

### Why C1Secure

#### Built for ServiceNow

Native Agile delivery inside ServiceNow - no external tools or context switching required.

#### AI-Powered Quality

AI assists with story writing, prioritization, and capacity planning for better outcomes.

#### Leadership Visibility

Real-time program dashboards give PMO and executives the insight they need to act.

**Automation, AI, and governance for Agile delivery.**

*Improving predictability, story quality, team alignment, and leadership insight.*

**Ready to accelerate?**
